

Call for Papers  
The 2007 Financial Research Association Meeting December 15 and 16, 2007  
Planet Hollywood Resort and Casino  
Las Vegas, Nevada

The program committee of the Financial Research Association seeks finance papers of general interest to the profession. We specifically seek new papers that do not have a "revise-resubmit" journal decision. The selection process is very competitive. Last year's acceptance rate was 4.65%. All papers will be presented by a discussant, after which the authors will have an opportunity to respond.

The association will make an award to cover airfare (up to \$400), hotel, and registration, for the Ph.D. student who submits the best solo-authored paper.

A conference dinner will be held on Sunday evening and a wine tasting featuring Radio Coteau's 2005 Vintage will be held Saturday evening.

Paper submissions should be emailed in PDF to [FRA@bc.edu](mailto:FRA@bc.edu) by August 31. The email must contain the following information: the names, affiliations, and email addresses of all co-authors, a list of the conferences at which the paper has been presented, and whether or not the submitting author is a Ph.D. student and would like to be considered for the Ph.D. student paper award.

You will be notified of paper selection in beginning of October. Once the program is set, the program committee will invite a limited number of participants to register for the meetings.

The conference fee of \$270 covers conference costs, including the Sunday dinner and a Saturday wine tasting. We have reserved a limited number of rooms at the Planet Hollywood Resort for \$86 per night.
